Title:	Cyprus Citizenship by Naturalization for non-Cypriot Investors		
Authored:	April 2014	Updated:	October 2016
Company:	Costas Tsielepis & Co Ltd		
Reference:	Council of Ministers		

General

The Cyprus Council of Ministers has announced changes to the criteria by which Cypriot citizenship is granted to foreign investors, shareholders, managers and their families.

The main amendments concern the discretion of the Cabinet to lower certain criteria regarding investment in government bonds, assets in Cypriot enterprises or organisations, in real estate, development and infrastructure projects and regarding the purchase and the establishment or participation in Cypriot businesses and companies.

Specifically, the amount necessary for foreign investors to secure a Cypriot passport is, at the discretion of the Council of Ministers, reduced to €2 million and the applicant must possess a permanent privately-owned residence in the Republic of Cyprus, the purchase price of which must be at least €500.000, plus VAT.

It is thought that the new criteria will be welcomed by investors from the Far East and especially Chinese.
