

## Company Annual Levy due 30 June 2015

Dear Clients, Associates and Friends,

You are kindly reminded that the €350 Cyprus company levy for 2015 is due by the 30th of June 2015.

Please bear in mind that there are no exemptions to paying this flat government fee. The levy applies to companies and Cyprus branches of foreign companies.

Failure to settle the company levy for 2015 before the due date will result in automatic penalties for the company.

If you have not already settled the levy, you may do so online at [www.mcit.gov.cy/drcor](http://www.mcit.gov.cy/drcor) or alternatively, contact us to do it on your behalf before the end of this week so we may effect payment on time.

Please free to contact me or our Managing Director, George Tsielepis at [g.tsielepis@tsielepis.com.cy](mailto:g.tsielepis@tsielepis.com.cy) for payment status or payment instructions.

We thank you for your prompt attention to this urgent and important matter.

Kind regards,
