ΓΝΩΣΗ

Introduction

The 2016 tax year is over, which means it is already time to start thinking about 2017.

In case you are wondering what are the tax filing and payment deadlines for 2017, read on. Just a reminder, you do not need to worry about the special contribution on salaries or the immovable property tax since those were both abolished as from 1st of January 2017.

Keeping a tax diary is very important if you want to be proactive and up to date with your tax compliance obligations and avoid paying unnecessary interest and penalties.

Courtesy of the Tax Department of Costas Tsielepis & Co Ltd, the below tax diary shows the Cyprus tax due dates for 2017 by month that apply to both individuals and companies.

This way, you and your company will always be up to date and know exactly your tax-due dates and plan accordingly. Of course, you could pay your taxes and submit the relevant returns before the deadline, which will ensure that no interest and penalties will be imposed.
